INDOOR COLLECTION | Malabar

| Weaving: handwoven hi-low pile 'dhurrie'

| Yarn: n.zealand wool and viscose, cotton backing

| Border: hand hemming

| Weight / sqm: 3,0 kg

| Pile height: 6-10 mms

| Applications: residential use / light contract

| Dimensions: standard 200x200 / 200x300
custom size on request

| Product care:

Vacuum regularly. Sweep the carpet surface with a soft broom or vacuum clean it in the direction of the pile. Blot stains immediately, possibly with very little water, dry instantly with white absorbing cloth and hair dryer. If, after the above treatments, you're not able to remove the stains, or if the rug is placed in heavy traffic public areas, we recommend the service of a professional cleaner. Dry clean or steam wash only. The latex we use for attaching the cotton backing is water soluble and it may detach from the back if cleaned with water.
